### CHILD RUN OVER IN STREET.

Knocked Senseless By Two Boys'  
Careless Riding.

About 2 o'clock this morning while  
Mr. and Mrs. C. H. Campbell, with  
their family, who live one and a half  
miles west of Milo, were walking  
across Main street, they were run into  
by two boys on horseback, who, Mrs.  
Campbell said, were riding at a rapid  
rate down the street.

Little Genie, their 5-year-old child,  
was knocked down by the boys'  
horses and for a time was senseless.  
She was taken to Dr. Moore's office.  
It was learned the child was bruised  
considerably.

The little girl is not dangerously  
hurt, the doctor says, and will be all  
right in a few days.

Mrs. Bogie Dead.

Death visited the home of Dr. W. T.  
Bogie at an early hour this morning  
and snuffed in twain the brittle  
thread of life of the wife and mother  
of that happy home. Mrs. Bogie  
died at 2:50 o'clock this morning, and  
a cherished and loving wife, a fond  
and devoted mother, a noble and de-  
vout Christian has been transplanted  
in a still brighter home, where she  
will await the coming of those she  
left behind.

Funeral services will be held at the  
family residence, corner of A street  
and First avenue, northwest, at 3  
o'clock tomorrow (Wednesday) after-  
noon by Rev. C. C. Welch of the First  
Presbyterian church. Interment will  
take place in South cemetery.

### At the Opera House.

The Ewing-Taylor company present-  
ed their opening play, "Home, Sweet  
Home," at the Kloski opera house  
last night. The people of Ardmore  
have learned to look forward to the  
annual visit of this popular company  
with a great deal of pleasure and  
greeted the players last night with a  
crowded house. Their opening play  
caught everybody and assures them  
of a good patronage for another week  
in our city.

It is somewhat remarkable that in  
the plays the company presents, each  
individual is wonderfully well adapted  
to his or her character and every fea-  
ture of the entertainment is perfect  
within itself.

"Dens and Palaces" is the play for  
tonight and it is safe to say that  
they will keep many people from  
Ringing Bros.' show who otherwise  
would have gone.

One Minute Taplock at Jake's.

10-7L.

Ringing Bros.' show was a little  
late arriving this morning, and the  
crowds of curios thronged the rail-  
road right of way for several hours  
patiently awaiting for it.

Charged With Assault.

This morning Deputy Bob Nester  
brought in Sidney Lawrence, a Choctaw  
Indian, charged with assault. Law-  
rence is 53 years old and was ar-  
rested on an alias warrant.

Lawrence and another Indian were  
indicted at Pauls Valley and gave  
bond. The understanding, it seems,  
was that he was to be discharged  
when his case was called. The other  
Indian appeared and was discharged.  
Lawrence forfeited his bond, think-  
ing it was not necessary for him to  
go to court.

An alias warrant was issued and  
the defendant arrested as above  
stated.

Commissioner's Court.

case was concluded in the commis-  
sioner's court, and defendant bound over  
in the sum of \$350, which he gave  
and was released.

Lem Shipman, charged with murder,  
was called and after hearing the  
testimony the judge discharged the  
defendant, the evidence showing that  
it was a clear case of self-defense.

BERWYN'S BIG FOOT RACE.

John Hardy Tries to Catch a Negro,  
Who Simply Flew.

Last Saturday afternoon John  
Hardy was talking to Levit Simpson,  
a negro, on some business, and dur-  
ing the course of conversation some  
strong language was evidently used,  
when the negro is said to have drawn  
his pocketknife.

Hardy made a break for the negro,  
who broke and ran. Hardy pursued  
him as fast as his feet would carry  
him, and the race seemed to be nip-  
and-tuck until some one screamed out  
when the negro left ground and flew.

S. R. Cole is here today with a war-  
rant for the negro, charging him with  
assault to murder.

Attention, Episcopalians.

There will be a meeting at the Epis-  
copal church Wednesday evening at

Phillip's church and those interested

to attend. I would be very much  
pleased to meet every member and  
all friends of the church at this meet-  
ing. F. A. JUNY, Rector.

After the School Building.

E. Coady of the firm of Coady &  
Webster, Oklahoma City, is in the city  
today and was a caller at the Ard-  
moreite office. The object of Mr.  
Coady's visit to the city is to figure  
with our school board regarding the  
getting up of plans and specifications  
for a school building. Mr. Coady  
said that he had had thirty years ex-  
perience in the architectural business,  
and the firm of Coady & Webster have  
put up nine-tenths of the heavy build-  
ings in Oklahoma City for the past  
two years and are superintending the  
construction of four school buildings  
in Oklahoma, also one at Addington.  
They also got up plans and specifica-  
tions for the Shriner temple in Okla-  
homa City.
